

## DISCLAIMER POLICY

### THIRD PARTY STONE FABRICATORS

---

Please read the following terms and conditions before seeking assistance from the third-party stone fabricators.

#### **Terms and Conditions**

1. Hafele may from time to time, recommend third-party stone fabricators to the distributors/dealers/partners/end customers upon their specific request. However, Hafele hereby disclaims any responsibility or liability for the actions, services, or products provided by such recommended third-party stone fabricators.
2. Any recommendation made by Hafele regarding third-party stone fabricators is for the convenience of the distributors/dealers/partners/end customers only. These third-party stone fabricators operate independently and are not agents, partners, or employees of Hafele. As such, Hafele shall not be liable for any actions, omissions, negligence, or misconduct of these recommended third-party stone fabricators.
3. Even if a third-party stone fabricator wears clothing bearing the logo or branding of Hafele, it shall not be construed as evidence of any affiliation, representation, partnership, or employment relationship with Hafele. The mere use of Hafele's branding or logo does not imply endorsement or authorization by Hafele.
4. In the event that a third-party stone fabricator falsely represents or suggests that it is working for or on behalf of Hafele, distributors/dealers/partners/end customers are hereby notified that such claims are unauthorized and misleading. Hafele disclaims any responsibility or liability for such misrepresentations made by third-party fabricators. As such, Hafele shall not be liable for any actions, omissions, negligence, or misconduct of these recommended third-party stone fabricators.
5. Hafele makes no representations or warranties, express or implied, regarding the quality, reliability, suitability, or legality of the services or products provided by recommended third-party stone fabricators. The distributors/dealers/partners/end customers are encouraged to conduct their own due diligence and assessment before engaging with any recommended third party stone fabricator.
6. It is the sole responsibility of the distributors/dealers/partners/end customers to evaluate the suitability and competency of any recommended third-party stone fabricator. The distributors/dealers/partners/end customers should independently verify credentials, licenses, insurance, and any other relevant information before entering into any agreements or transactions with recommended fabricators.
7. In no event shall Hafele be liable for any direct, indirect, incidental, special, or consequential damages arising out of or in any way connected with the services or products provided by recommended third-party stone fabricators, even if advised of the possibility of such damages.
8. Hafele will not be responsible for any injury caused to stone fabricator or even for any losses caused to the end customer on account of stone fabricator's negligence, since stone fabricator is not working on behalf of or engaged by Hafele.
